Racing and Age Categories

Your age category will be determined by age and sex of skater and follow ISU Constitution and General Regulations 2024, Rule 108. For individual races you will be entered in the category that is determined by the by this ruling and the organisers. The relay event will be separate event and will not be restricted by age

Racing categories are as IMSSC Constitution ie: men & women, 30-34, 35-39 and onwards. Age categories may be mixed by the organiser to give balanced individual racing

Maximum Time Limits

There will be no maximum time limits however all entries will be judged on the skaters ability to ensure safe racing for all

Racing Distances

The individual competition will consist of 3 individual distances and a 4th distance as a Super- Final. The qualifying schedule on the first 3 distances will be on an all-finals system in all categories. This is used to guarantee a minimum number of races to all participants. The relay event will be decided on the number of entries however individually if you skate in international relay, you are not eligible for the additional mixed relay

Distances	1st	2nd	3rd	Superfinal	Relay
Women	1000m	500m	777m	1500m	
Men	1000m	500m	777m	1500m	
International Women					3000m
International Men					3000m
International Mixed Gender					2000m
Additional Mixed Relay					3000m

Records and Awards

Awards will be given to the overall 1st, 2nd & 3rd in each age category and 1st, 2nd & 3RD in Each Relay

All records set will be established as European age records

Track Conditions

The track is an artificial indoor ice surface measuring 60m x 30m. The standard track will measure 111.12m with a measured curve of 8m and straight length of 28.85m. There will be a minimum of 5 tracks to preserve good ice condition. For all tracks there will be only one finish line

Barrier Padding

The protective barrier padding used will be in accordance with ISU Communication 2626 however the ISU communication does not cover Masters so within the specification of the ruling crash zones 1 & 2 and additionally secondary crash zone will only be covered

Skaters Equipment

All skaters must comply with ISU communication 2636 for entry. Checks will be made on skaters equipment prior to the start of the competition and any skater not complying with the guidelines will be excluded from competition

Electronic Timing and photo finish

A calibrated electronic timing system will be used to record times to 100th of a second so that official records can be established

Medical Assistance

Medical paramedics will be present at all times during the running of the competition and an adequate response time for ambulance to be on site if required

Medical Insurance

It is the sole responsibility of the individual skater to ensure they have adequate medical cover for the duration of the competition.

Liability

In accordance with ISU ruling 119, the organisers will accept no liability or assumes no responsibility with respect to medical, bodily or personal injury or property loss or damage sustained in connection with this competition

Accommodation

Accommodation is not included with the entry. Information on hotels is on the website. If you are having difficulty with accommodation the organisers will be happy to help wherever possible

Closing Presentation

There will be a closing presentation after the event. Skaters, officials and volunteers will be included. All others are welcome to attend at a cost of £20.00

Final Condition

By entering the competition, you agree compete in a fair manner and be respectful to officials and all other skaters. You also enter to have fun and compete in the ethos of Masters Short Track
